The weather can change in an instant, and you can experience sun, rain, wind and sun again, hot and cold – all in one day!

Drink a flat white
We love our morning coffee – especially a flat white! Most classic cafes in the city open early and close around 3pm.

Have an ice cream or gelato, anytime, every day
Did you know that New Zealanders eat by far the most ice cream per capita in the world? A whopping 28.4 litres per year!

Eat like a local
Every year, we vote for our favourite dishes – **Iconic Auckland Eats**. Our food scene is reaching for the stars. Make a reservation at one of Auckland's renowned **MICHELIN Guide** restaurants.
